## **EDUCATION**

### **University of Utah, Salt Lake City, Utah**

University of Utah's Coding Bootcamp

An intensive, 6 month full-stack coding bootcamp offered by one of Utah's most prestigious universities. Skills taught in this course include HTML5, CSS3, Javascript, JQuery, Bootstrap, Node.JS, Express.js, React.js, HandleBars.js, FireBase, MySQL, MongoDB, and most importantly, how to learn and keep up with new technologies that come and go in the ever-changing field of technology.

### **Salt Lake Community College, Salt Lake City, Utah—*Associate's Degree***

Obtained an Associate of Science degree from Salt Lake Community College. This degree has provided a segue for me to further my education and become a full-stack web developer.
